Wireless Internet for the Entire Exhibit Area During the Show!

Wireless Internet is a very popular feature of the Charleston Civic Center. You can have your firm's name and logo "pop-up" each time an exhibitor or show attendee accesses the web at the show! Expo will also highlight your sponsorship at the show, on the Expo website and in select show promotional materials.
Fee: \$5,000

Registration Pens

Why not have your firm's name on the Expo pens provided for the Show Registration Area? The pens are also used at the Exhibitor Breakfast, select seminars, and in the Show Office.
Fee: \$500 (*plus cost of product*)

Name Badge Lanyards

Name Badges are mandatory for anyone attending a seminar/meeting or visiting the show floor. You can have your firm's name printed on Name Badge Lanyards that attendees can use instead of pinning the badge holder to their clothes.
Fee: \$500 (*plus cost of product*)
